

Bentley Continental Supersports

Filename	Description	BitDepth	SampleRate	Channels	Duration	AudioFileType
Bentley_Cont_SuperSp_Eng_1+Drby_C.wav	Onboard recording of a Bentley Continental Supersports with a turbocharged 6.0 litres W12 with 630 hp. The recording consists of eight channels, interior left and right, two exhaust and four engine channels. It contains start, idle, revving on constant rpms without gear, blips, horn, engine stop, door slams, driving, accel- and decelerations and a full surround	24	48000	1	21:02.236	WAVE
Bentley_Cont_SuperSp_Eng_2+Drby_Top.wav	Onboard recording of a Bentley Continental Supersports with a turbocharged 6.0 litres W12 with 630 hp. The recording consists of eight channels, interior left and right, two exhaust and four engine channels. It contains start, idle, revving on constant rpms without gear, blips, horn, engine stop, door slams, driving, accel- and decelerations and a full surround	24	48000	1	21:02.236	WAVE
Bentley_Cont_SuperSp_Eng_3+Drby_Ls.wav	Onboard recording of a Bentley Continental Supersports with a turbocharged 6.0 litres W12 with 630 hp. The recording consists of eight channels, interior left and right, two exhaust and four engine channels. It contains start, idle, revving on constant rpms without gear, blips, horn, engine stop, door slams, driving, accel- and decelerations and a full surround	24	48000	1	21:02.236	WAVE
Bentley_Cont_SuperSp_Eng_4+Drby_Rs.wav	Onboard recording of a Bentley Continental Supersports with a turbocharged 6.0 litres W12 with 630 hp. The recording consists of eight channels, interior left and right, two exhaust and four engine channels. It contains start, idle, revving on constant rpms without gear, blips, horn, engine stop, door slams, driving, accel- and decelerations and a full surround	24	48000	1	21:02.236	WAVE
Bentley_Cont_SuperSp_Ext_1+Drby_Lfe.wav	Onboard recording of a Bentley Continental Supersports with a turbocharged 6.0 litres W12 with 630 hp. The recording consists of eight channels, interior left and right, two exhaust and four engine channels. It contains start, idle, revving on constant rpms without gear, blips, horn, engine stop, door slams, driving, accel- and decelerations and a full surround	24	48000	1	21:02.236	WAVE
Bentley_Cont_SuperSp_Ext_2+Drby-Cs.wav	Onboard recording of a Bentley Continental Supersports with a turbocharged 6.0 litres W12 with 630 hp. The recording consists of eight channels, interior left and right, two exhaust and four engine channels. It contains start, idle, revving on constant rpms without gear, blips, horn, engine stop, door slams, driving, accel- and decelerations and a full surround	24	48000	1	21:02.236	WAVE
Bentley_Cont_SuperSp_int_L+Drby_L.wav	Onboard recording of a Bentley Continental Supersports with a turbocharged 6.0 litres W12 with 630 hp. The recording consists of eight channels, interior left and right, two exhaust and four engine channels. It contains start, idle, revving on constant rpms without gear, blips, horn, engine stop, door slams, driving, accel- and decelerations and a full surround	24	48000	1	21:02.236	WAVE
Bentley_Cont_SuperSp_int_R+Drby_R.wav	Onboard recording of a Bentley Continental Supersports with a turbocharged 6.0 litres W12 with 630 hp. The recording consists of eight channels, interior left and right, two exhaust and four engine channels. It contains start, idle, revving on constant rpms without gear, blips, horn, engine stop, door slams, driving, accel- and decelerations and a full surround	24	48000	1	21:02.236	WAVE
