| Lambo_Gallardo_engine_1.wav | Onboard recording of a Lamborghini Gallardo. It has a V10 engine with more than 500/p and a top speed well beyond 300 km/h. The power is delivered via a gearbox. With expedient of the power is delivered via a gearbox with sky gears to a permanent four wheel drive. The recording contains start, stop, ide, accelerators, diving, reving without gears and more. Two drivety's in stereo are added at | 24 | 48000 | 1 14: | 1:13.453 WAVE |
| Lambo_Gallardo_engine_2.wav | Onboard recording of a Lamborghini Gallardo. It has a V10 engine with more than 500/p and a lop speed well beyond 300 km/h. The power is delivered via a gearbox with six gears to a permanent four wheel drive. The recording contains start, stop, ide, accelerations, decelerations, divining review without gears and more. Two drivety's in stereo are added at | . 24 | 48000 | 1 14: | :13.453 WAVE |
| Lambo_Gallardo_engine_3.wav | Onboard recording of a Lamborghini Gallardo. It has a V10 engine with more than 500/p and a top speed well beyond 300 km/h. The power is delivered via a gearbox. With expedient of the power is delivered via a gearbox with sky gears to a permanent four wheel drive. The recording contains start, stop, ide, accelerators, diving, reving without gears and more. Two drivety's in stereo are added at | 24 | 48000 | 1 14: | 1:13.453 WAVE |
| Lambo_Gallardo_exhaust_L.wav | Onboard recording of a Lamborghini Gallardo. It has a V10 engine with more than 500/p and a lop speed well beyond 300 km/h. The power is delivered via a gearbox with six gears to a permanent four wheel drive. The recording contains start, stop, ide, accelerations, decelerations, divining review without gears and more. Two drivety's in stereo are added at | . 24 | 48000 | 1 14: | :13.453 WAVE |
| Lambo_Gallardo_exhaust_R.way | Onboard recording of a Lamborghini Gallardo. It has a V10 engine with more than 500/p and a top speed well beyond 300 km/h. The power is delivered via a gearbox. With expedient of the power is delivered via a gearbox with sky gears to a permanent four wheel drive. The recording contains start, stop, ide, accelerators, diving, reving without gears and more. Two drivety's in stereo are added at | 24 | 48000 | 1 14: | 1:13.453 WAVE |
| Lambo_Gallardo_gearbox.wav | Onboard recording of a Lamborghini Gallardo. It has a V10 engine with more than 500/p and a lop speed well beyond 300 km/h. The power is delivered via a gearbox with six gears to a permanent four wheel drive. The recording contains start, stop, ide, accelerations, decelerations, divining review without gears and more. Two drivety's in stereo are added at | . 24 | 48000 | 1 14: | :13.453 WAVE |
| Lambo_Gallardo_intake_L.wav | Onboard recording of a Lamborghini Gallardo. It has a V10 engine with more than 500/p and a top speed well beyond 300 km/h. The power is delivered via a gearbox. With expedient of the power is delivered via a gearbox with sky gears to a permanent four wheel drive. The recording contains start, stop, ide, accelerators, diving, reving without gears and more. Two drivety's in stereo are added at | 24 | 48000 | 1 14: | 1:13.453 WAVE |
| Lambo_Gallardo_intake_R.wav | Onboard recording of a Lamborghini Gallardo. It has a V10 engine with more than 500/p and a lop speed well beyond 300 km/h. The power is delivered via a gearbox with six gears to a permanent four wheel drive. The recording contains start, stop, ide, accelerations, decelerations, divining review without gears and more. Two drivety's in stereo are added at | . 24 | 48000 | 1 14: | :13.453 WAVE |
| Lambo_Gallardo_interior_L.wav | Onboard recording of a Lamborghini Gallardo. It has a V10 engine with more than 500/p and a lop speed well beyond 300 km/h. The power is delivered via a gearbox with six gears to a permanent four wheel drive. The recording contains start, stop, ide, accelerations, decelerations, divining review without gears and more. Two drivety's in stereo are added at | . 24 | 48000 | 1 14: | :30.408 WAVE |
| Lambo Gallardo interior R.way | Onboard recording of a Lamborophini Gallardo, it has a V10 engine with more than 500hp and a too sceed well beyond 300 km/h. The cower is delivered via a gearbox with six operas to a cermanent four wheel drive. The recording consists of 10 channels, interior, exhaust and air intakes, all in stereo are added at | 24 | 48000 | 1 14 | :30.408 WAVE |
