

SoundBits “Just Gore“ description:

- Welcome to the Bloodfeast. Welcome to 496 files containing over 820 **gore**geous bone braking, blood soaking and flesh slicing Splatter SoundFX.
- This huge **hardgore**, construction kit contains all the sounds of gore you need for your horror-, action-, thriller-, slasher-, monster-, martial-arts-, zombie- or fantasy-, Movie or Video-Game.

SoundBits “Just Gore“ license agreement:

- All sounds included in this library are liable to the following conditions:
 1. You get a lifetime, non-transferable, worldwide license for synchronization rights
 2. All sounds can be used non-exclusively
 3. All sounds can be used in any musical, videogame-related or multimedia context
 4. There is no limitation in how often the sounds can be used
 5. All sounds can be used on **two workstations** at the same time. Both workstation have to be owned by the same person or business
 6. All sounds are delivered in fully BWF tagged, 24Bit, 96kHz wav-files
 7. All sounds have to be saved on local harddrives (internal, external) and may not be stored on any web-based storages
 8. All sounds can be edited combined without limitations
 9. It is neither allowed to re-sale single sounds of this library nor to use these sounds for other sample-libraries or to create new sound FX with it that are sold as a self-sustaining work.
