

## Ambisonic Steam Trains

Filename	Description	Duration	Category	Chn	SR	Bit	Originator	Library
<b>Railroad #1 Ambeo A-Format (double locomotive)</b>								
at the track_windy forest, downhill passby of entire train.wav	at the track_windy forest, downhill passby of entire train	00:01:46.479	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
at the track_windy forest, uphill passby of entire train at full power.wav	at the track_windy forest, uphill passby of entire train at full power	00:04:07.079	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
cabin inside, mic forward_complete ride, shovel coal, rumble, whistles, slow ride across rail joints and bridges.wav	cabin inside, mic forward_complete ride, shovel coal, rumble, whistles, slow ride across rail joints and bridges	00:07:42.799	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
cabin inside_firebox, shovel coal, steady noise from steam engine.wav	cabin inside_firebox, shovel coal, steady noise from steam engine	00:04:57.770	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
cabin inside_high pressure water flow, hammering.wav	cabin inside_high pressure water flow, hammering	00:00:58.395	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
cabin inside_shoveling coal, complete ride from one station to next, steady engine work uphill, bell, whistle.wav	cabin inside_shoveling coal, complete ride from one station to next, steady engine work uphill, bell, whistle	00:07:21.301	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
cabin inside_shoveling coal, complete ride from one station to next, steady engine work uphill, bell.wav	cabin inside_shoveling coal, complete ride from one station to next, steady engine work uphill, bell	00:07:33.906	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
cabin outside, mic forward_complete ride, interplay of first and second engine, increasing to full power.wav	cabin outside, mic forward_complete ride, interplay of first and second engine, increasing to full power	00:06:45.458	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
cabin outside, right side_complete ride, interplay of steam noises of first and second engine.wav	cabin outside, right side_complete ride, interplay of steam noises of first and second engine	00:04:38.981	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
depot_isolated bell, first steam engine leaves depot, second starts taking coal.wav	depot_isolated bell, first steam engine leaves depot, second starts taking coal	00:00:50.984	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
depot_steam engine pass-by, short whistle, coupler clang, background voices from engineers .wav	depot_steam engine pass-by, short whistle, coupler clang, background voices from engineers	00:00:39.928	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
depot_steam valve close up.wav	depot_steam valve close up	00:00:23.314	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains

## Ambisonic Steam Trains

depot_taking coal.wav	depot_taking coal	00:01:37.302	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon inside_complete ride from one station to next plus departure, downhill.wav	wagon inside_complete ride from one station to next plus departure, downhill	00:08:09.167	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
<b>Railroad #2 Ambeo A-Format</b>								
at the track, forest clearing_distant train passby uphill, steam whistles.wav	at the track, forest clearing_distant train passby uphill, steam whistles	00:01:16.209	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
at the track, forest clearing_light rain, distant train passby downhill, steam whistle.wav	at the track, forest clearing_light rain, distant train passby downhill, steam whistle	00:01:34.195	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
at the track, forest_long tail close train passby downhill, steam whistles.wav	at the track, forest_long tail close train passby downhill, steam whistles	00:03:20.093	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
at the track, forest_long tail close train passby uphill, steam whistles.wav	at the track, forest_long tail close train passby uphill, steam whistles	00:01:25.712	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
cabin inside_awaiting departure, shovel coal, firebox opened.wav	cabin inside_awaiting departure, shovel coal, firebox opened	00:01:41.561	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
cabin inside_complete ride from one station to next.wav	cabin inside_complete ride from one station to next	00:13:24.512	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
cabin inside_rollout to station.wav	cabin inside_rollout to station	00:02:07.948	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
cabin inside_steam engine accelerates with spinning wheels.wav	cabin inside_steam engine accelerates with spinning wheels	00:01:32.951	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
cabin outside, right side_complete ride from one station to next.wav	cabin outside, right side_complete ride from one station to next	00:12:40.701	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
depot, urban surroundings_various shunting operations 2.wav	depot, urban surroundings_various shunting operations 2	00:01:23.294	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains

## Ambisonic Steam Trains

depot_urban surroundings, various shunting operations.wav	depot_urban surroundings, various shunting operations	00:01:12.743	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon inside_complete ride, long bell, strong rumble and rattle, door slaps.wav	wagon inside_complete ride, long bell, strong rumble and rattle, door slaps	00:05:35.078	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon inside_door opened, complete ride from one station to next plus departure.wav	wagon inside_door opened, complete ride from one station to next plus departure	00:03:55.386	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon inside_doors closed, long double whistle, station arrival, passengers get in.wav	wagon inside_doors closed, long double whistle, station arrival, passengers get in	00:03:34.608	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon inside_front door open_train departure with slapback echos.wav	wagon inside_front door open_train departure with slapback echos	00:01:08.000	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon inside_ride to depot, heavy hit from coupler, loose window lock, strong rumble and rattle.wav	wagon inside_ride to depot, heavy hit from coupler, loose window lock, strong rumble and rattle	00:02:12.178	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon platform backwards_complete ride, door slaps, departure, whistles, and bell, rail joints.wav	wagon platform backwards_complete ride, door slaps, departure, whistles, and bell, rail joints	00:03:28.536	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon platform backwards_mic sideways_complete ride from one station to next, strong rail joint rattle.wav	wagon platform backwards_mic sideways_complete ride from one station to next, strong rail joint rattle	00:03:24.615	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon platform, above rooftop_complete ride, rail joints, whistle, long bell, power generator.wav	wagon platform, above rooftop_complete ride, rail joints, whistle, long bell, power generator	00:05:05.454	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon platform_complete ride from one station to next.wav	wagon platform_complete ride from one station to next	00:03:34.760	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon platform_steam engine idling, power generator, overpressure valve.wav	wagon platform_steam engine idling, power generator, overpressure valve	00:03:46.656	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
<b>Railroad #3 Ambeo A-Format</b>								
at the station, river in foreground_train arrival and departure, downhill.wav	at the station, river in foreground_train arrival and departure, downhill	00:02:25.874	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains

## Ambisonic Steam Trains

at the station_train arrival and departure, power generator, river in background.wav	at the station_train arrival and departure, power generator, river in background	00:02:35.801	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
at the station_train departure.wav	at the station_train departure	00:01:06.634	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
at the track, river in background_train pass by, heavy steam engine work uphill.wav	at the track, river in background_train pass by, heavy steam engine work uphill	00:02:23.882	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
at the track_decent river in background, train passby, heavy steam engine work, track joint.wav	at the track_decent river in background, train passby, heavy steam engine work, track joint	00:02:02.855	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
at the track_steam engine passby, warning signal in background.wav	at the track_steam engine passby, warning signal in background	00:00:56.168	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
at the track_train passby downhill, river in background, bangs from rail joint, hiss.wav	at the track_train passby downhill, river in background, bangs from rail joint, hiss	00:01:22.321	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
at the track_train passby uphill, river in background.wav	at the track_train passby uphill, river in background	00:02:03.227	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon inside, door open_complete ride plus second departure, constant background rumble.wav	wagon inside, door open_complete ride plus second departure, constant background rumble	00:07:37.154	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon inside_connecting wagon, complete ride, steady low rumble and chattering.wav	wagon inside_connecting wagon, complete ride, steady low rumble and chattering	00:11:04.001	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon inside_constant rumble, arrival.wav	wagon inside_constant rumble, arrival	00:07:16.516	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon inside_door slap, complete ride, steady low rumble and chattering.wav	wagon inside_door slap, complete ride, steady low rumble and chattering	00:05:13.600	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon inside_doors and windows closed, complete ride, steady low rumble and chattering.wav	wagon inside_doors and windows closed, complete ride, steady low rumble and chattering	00:05:21.346	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon platform backwards_complete ride, track joints, bell.wav	wagon platform backwards_complete ride, track joints, bell	00:05:18.124	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon platform, above rooftop_complete ride, balanced mixture of rail joints and steam engine.wav	wagon platform, above rooftop_complete ride, balanced mixture of rail joints and steam engine	00:06:03.016	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains

### Ambisonic Steam Trains

wagon platform, outside left_complete ride, heavy steam engine work, track joints, bell, heater noise, whistle.wav	wagon platform, outside left_complete ride, heavy steam engine work, track joints, bell, heater noise, whistle	00:05:17.635	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon platform, outside right_complete ride, heavy steam engine work, track joints, bell, heater noise, whistle.wav	wagon platform, outside right_complete ride, heavy steam engine work, track joints, bell, heater noise, whistle	00:05:14.776	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon platform_complete ride, track joints, long-running bell .wav	wagon platform_complete ride, track joints, long-running bell	00:04:20.455	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon platform_train departure, close isolated bell.wav	wagon platform_train departure, close isolated bell	00:02:17.181	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
wagon platform_very slow ride, long-running isolated bell, arrival in station, steam engine idle.wav	wagon platform_very slow ride, long-running isolated bell, arrival in station, steam engine idle	00:03:04.983	train, steam, track, iron, coal, transportation, traffic	4 A-Format	96000	24	Stephan Marche, detunized.com	DTG072 Steam Trains
